Dear Parish Family,

As mentioned last weekend, on January 20th we will have a Pro-Life Community Walk throughout Iota. We will gather in front of St. Francis for 10 and start walking around 10:30 and end around 12:15. It was mentioned it would end around 3, that is incorrect. A rosary will also be offered in the church for those who cannot walk but still wishes to join us in prayer.

Also, Current Family Registration for St. Francis begins on January 29th. New Family Registration Begins on February 11th. Catholic education has always been something close to my heart, I am grateful to my parents for making the sacrifice to send me to Catholic schools where not only my faith was fostered but also my vocation to the priesthood grew.

In many ways, I would not be here as your priest without my Catholic education. So, as registration soon opens, I would strongly encourage parents to pray and reflect on the decision of sending your children to our school. St. Francis School offers a unique, lived Catholic education both in and out of the classroom. Feel free to reach out to me or the St. Francis office if you have any questions regarding registration or the school in general.

Many of you may have noticed that some work was done on the adoration chapel. A door, which was blocked by a bookshelf, was closed in. This was done to help block sound from the hall, so people can pray in quiet. I hope this helps with the noise level. There's a few more renovations planned for the chapel, but those won't take place until the chapel is closed again. If you would like to help donate to the chapel renovation please contact the office.

In Christ,
Fr. Killeen
